

Handicap/Special Needs Remodeling .

There may come a time in your or your family's lives when your home's floor plan and/or amenities may not be as convenient as necessary to accommodate a physical handicap or disability. Should you sell or renovate?

It all depends on how much you love living in your home, your budget and timeframe. We specialize in truly evaluating your personal needs and situation to help you make the right emotional, physical and financial decisions for you and your family.

From simple door jam expansions to total kitchen and bathroom renovations, we have compassion and the know how

to help you live in your home with comfort and ease.

Call us today for a free evaluation of your property. It may be easier than you think!

Testimonials

"I love my new fireplace. It changed the whole look of my living room—and I love the Tuscan style—it's one of a kind. Miguel is an artist! He oversaw the project and got it done quickly."

Donna Zaworsky, Nurse

"I call on Miguel regularly to remodel my offices when I have a new tenant. His work is professional and within my budget."

Judy Warren, Commercial Property Owner

"I've worked with Miguel on many projects and the words that come to mind are...Quality Workmanship, Fair Price, Honesty and Professionalism."
